Dear Friend,

We are delighted to announce The Aligned Business Woman Circle: Vision Boards and Goal Mapping Conference, a transformative one-day event crafted for women entrepreneurs who are visionaries and changemakers not only in their businesses but also through their impact.

This gathering is an opportunity for these visionary women to align their intuitive wisdom with strategic goal-setting, propelling them toward success and impact.

Women entrepreneurs are often the driving force of innovation in business, and empowering them has a profound impact. By providing them with tools and insights to clarify their vision, we set the stage for transformative growth and achievement.

At The Aligned Business Woman Circle: Vision Boards and Goal Mapping Conference, women entrepreneurs will find alignment in:

- Purposeful Vision: Fostering clarity and focus on their entrepreneurial dreams.
- Strategic Execution: Empowering them to turn their vision into achievable goals.
- Influential Leadership: Building confidence to lead their businesses with conviction.
- Meaningful Impact: Ensuring their business journey is fulfilling and impactful.

Our mission is to create a synergy between these visionary women and businesses like yours. By sponsoring this event, you will connect with women who are actively seeking to transform their business approach – they are innovators and pace-setters, ready to take their business to new heights.

We offer various sponsorship levels, providing an opportunity to align with an audience committed to growth and success. Partnering with us is more than a sponsorship; it's an investment in the future of women-led businesses.

We invite you to consider this opportunity to join us as a sponsor for The Aligned Business Woman Circle: Vision Boards and Goal Mapping Conference. Your support plays a crucial role in empowering women entrepreneurs to realize their potential with clarity and confidence.

We look forward to the possibility of collaborating with you to create an event that celebrates and actualizes the aspirations of women in business!

Warm regards,
Vanessa Ann Miller
CEO and Founder of the Aligned Business Woman

ABOUT STACEY POTERSON

OF FEMFORCE PHOTOGRAPHY

Stacey is a photographer who after 10 years of shooting weddings decided to ditch working nights and weekends so she could spend more time with her family. She re-designed her photography business to fit family life & motherhood and started FemForce- a photoshoot membership for female entrepreneurs that helps them get fresh new social media content every month.

Forging her own path in the photo industry and doing what no photographer has done before, she created a non traditional approach to photoshoots.

What started in 1 city is now nationwide and Stacey and her team are on a mission to help female entrepreneurs show up consistently, step into the spotlight and be seen as leaders in their industry.
